## Thanksgiving What Do you Say When?

Every situation is different and it can be hard to know what to say at different times.

Think about each situation and what the best thing to say is. At the holidays we want to be polite.

If you do not want to eat some of the food that is served, what can you say?

When you see your cousins that you have not seen in a while, what can you say?

If you want to leave the table, what can you say?

If you know whoever cooked the meal put a lot of time into it, what can you say?
