EVERYDAY SPEECH

Public vs. Private

Some things we can only talk about in private. That means a place without other people. Public means there are lots of people around and they could hear you.

What was Andrew talking about in front of the class?

How did it make the rest of the class feel?

What should Andrew have done instead?

MAKE A LIST OF TOPICS FOR PUBLIC AND PRIVATE

Public

1. Your favorite movie

Private

1. Personal hygiene
