MODELING – SOLVING A PROBLEM WITH YOUR TEACHER

1. What can you say to ask a teacher for help with a problem?

2. How can it be helpful to work with an adult if you have a problem?

3. Did Jake and his teacher find a solution to his problem?

REVIEW

Kaleigh needed help with her math work but was too afraid to ask. Now she doesn't know how to do the homework. What should she have done?
