MODELING – SOLVING A PROBLEM WITH A FRIEND

1. Was Kate and Serena's problem big, medium, or small?
2. What steps did Kate and Serena take to solve their problem in the video?
3. Have you ever had a problem that you solved with a friend?

REVIEW

Catherine and Rachel were supposed to pick up a birthday cake for a party that night. When they got to the bakery, it was closed. How could they solve their problem?
