CLEAN HAIR

We need to keep our hair clean so our bodies stay healthy and other people want to be around us. A good rule is to shower and wash your hair every day. Even if your hair doesn't seem dirty to you, most people wash every day.

1. How did Tim know that Alessandra did not have clean hygiene?
2. How did Alessandra feel when Tim moved away from her?
3. How can you tell when your hair needs to be washed?
