## COPYING INAPPROPRIATE BEHAVIOR

Sometimes people break the rules. When we see this type of behavior we may want to do it too but this could get us into trouble. We need to remember to stay calm and follow the rules. A good thing to remember is to worry about yourself, not other people.

1. What did Julie see that she wanted to copy?
2. Why did Julie want to copy Devin?
3. What happened when Julie copied the behavior? What did she learn?

### DISCUSS WHAT YOU THINK WILL HAPPEN

Tim saw kids from school pushing each other. It looked fun so he walked up and pushed one of the boys.

Pam sat with her friends at lunch. They were spitting milk out and laughing so she did too.

Rachel saw older students walking outside of school. She left her class to follow them.

Dan loves funny commercials. He repeats them in class and says bad words.
