WORKING WITH A PARTNER

We all need to learn to work with other people, even if we like to work alone. When we have a partner we have someone to share the work with and help us figure things out!

1. Did Andrew and Julie work together nicely the first time? Why or why not?
2. How did Andrew feel when Julie would not work with him?
3. How did Julie realize that working with a partner is a good idea?

CIRCLE WHICH ACTIONS YOU SHOULD DO WHEN WORKING WITH A PARTNER

Listen to each other

Work at the same speed

Do more work yourself

Go really fast

Ask each other questions

Only talk if you need help
