READ THE ROOM - ASKING FRIENDS

Reading the room means observing what is happening in different situations. This helps us know how to act and what to do.

When we read the room, we are figuring out what is going on right now and that tells us how we should act.

Watch carefully and think about:

- What is everyone doing?
- What does each character have?
- Where are they?
- What time of day is it?

Help the characters make the best choice based on what you see!

When the discussion logo is shown, we suggest pausing to discuss what you have seen. Don't hesitate to rewind the video and watch multiple times!
