

Name: _____

Date: _____

THINK IT OR SAY IT

Think it or Say it refers to the thoughts we have in our head. We should always think before we say something. If we have a thought that could hurt someone's feelings or make them feel uncomfortable, it's best to leave that thought in your head. Other times it's okay to say what you're thinking. If it is kind or will help people then it's okay to say it.

ANSWER KEY

1. Say
2. Think
3. Think
4. Say
5. Say
6. Think

SUGGESTED USE

When discussion logo is shown , we suggest pausing to discuss facial expressions, tone of voice, and positions of bodies & eye contact. Don't hesitate to rewind the video and watch multiple times.

Three of the six clips have follow up questions for discussion at the conclusion. This is an opportunity to connect the situation on screen to an event in the student's life or experiences.
