## WHAT TO DO WHEN YOU FEEL SICK AT SCHOOL

When we don't feel well we need to tell an adult. We can talk to our teacher and explain what's wrong. Then we can go to the nurse and get some help.

Read and answer each question below.

1. Why is it important to tell an adult when we don't feel well at school?

---

---

---

---

---

2. What could you say to your teacher if you didn't feel well? What would you say to the nurse?

---

---

---

---

---

3. What would happen if you didn't tell anyone you were sick at school?

---

---
