## EMOTION ID

People give us many clues that tell us how they feel. If we look at how they look, sound, and what they say we can figure out how they feel! Answer the questions below. Each question repeats 1-3 in each round.

### ROUND 1

1. How do you think his/her facial expression looks? Notice the eyes, eyebrows and mouth.

---

---

2. How did his/her tone of voice sound? Did he/she sound really loud or quiet? Did he/she speak quickly or slowly?

---

---

3. What did his/her words say? What message was he/she sending?
