## FEELING BORED

We all get bored sometimes. There are places that we can act bored but other places where we would upset others if we show that we feel bored.

Read and answer each question below.

1. When are times you feel bored?

---

---

---

---

2. If you feel bored during a break in school, what can you do?

---

---

---

---

---

3. If you feel bored during a conversation with someone, what should you do?

---

---

---

---

### REVIEW

Make a list of places and times when it's okay to act bored and another list of places and times when it's not okay for others to see that you're feeling bored.
