## USING SLANG

Slang words are usually okay to say in certain places and with different people. The way we talk changes if we're talking to a friend, parent, sibling, or teacher.

Read each slang expression and tell **WHEN** and with **WHO** you could use it. Think about if it's appropriate for school, home, or with friends.

1. That's mad cool. \_\_\_\_\_
2. What's up? \_\_\_\_\_
3. Mornin'. \_\_\_\_\_
