

Name : _____

Date: _____

EVERYDAY SPEECH

Think About who You're Talking to

We change the way we talk to people, depending on who we are talking to. We talk to our friends about different things we would talk about with our teachers.

What did Ryan try to talk to his teacher about?

How did it make his teacher feel?

What could Ryan talk about instead?

WRITE WHAT YOU CAN TALK ABOUT WITH EACH DIFFERENT PERSON

Your friend

1.

2.

Your teacher

1.

2.

A friend's parent
