## Washing Your Hands

Washing your hands is very important for your health and social life. When we see people that do not wash their hands it gives us uncomfortable thoughts. Would you want to high five or share with someone who went to the bathroom and did not wash their hands?

Why is it so important to wash your hands?

What were three times Bobby learned to wash his hands?

What would you think if you saw someone wipe their nose with their hands?

### PICK THREE TIMES IT IS IMPORTANT TO WASH YOUR HANDS AND TELL WHY
