# EVERYDAY SPEECH

## Learning to Say No

It can be hard to tell friends no if they ask us to hang out or go somewhere. If you aren't able to go, you can learn to say no.

Why didn't Ryan want to say no to his friend?

What was important that Ryan needed to do?

How did Jameson feel when Ryan told him he could not go outside? Was he mad at Ryan?

### WRITE DOWN WHAT YOU WOULD DO IN EACH SITUATION

1. Sam asks you to go to the mall Friday. You have to go to your cousin's house.

2. Jack wants you to be his partner but you already have one.

3. Phil wants to copy your homework but you don't feel right about it.
