# EVERYDAY SPEECH

## Being a Tattletale

People usually feel annoyed by tattletales. It's important to learn when to tell a teacher, such as when someone may be in danger, and when you should keep it to yourself.

Why did Liz tell on Serena?

How did it make Serena feel?

When would be an important time to tell a teacher?

### THINK ABOUT IF YOU WOULD TELL AN ADULT IN EACH SITUATION

1. You see a student fall down in the hallway. They look hurt.

2. You see a classmate finish her homework in class when the teacher said do it at home.

3. You see a student steal another student's iPhone.
