# EVERYDAY SPEECH

## Showing Empathy

Empathy means understanding how others feel and showing that you care. Showing empathy will tell others that you are a good friend.

Why is Bobby upset in the beginning of the video?

When Alessandra did not show any empathy how did it make Bobby feel?

How did Alessandra show empathy in the end?

### WHAT WOULD YOU SAY TO SHOW EMPATHY IN EACH SITUATION

Your friend is on the basketball team. They just lost a big game.

Your sister lost her wallet and all of her allowance money was in it.

A teacher says she will not be coming to school tomorrow because she is sick.
