EVERYDAY SPEECH

Think it or Say it

Sometimes we have thoughts that would really hurt people's feelings if we say out loud. These thoughts are "think it" thoughts. We should keep them in our head and NOT say them.

What was Alessandra say to Serena when she opened the gift?

How did it make Serena feel?

What should Alessandra have said instead?

MAKE A LIST OF TOPICS YOU SHOULD THINK OR CAN SAY

Think It

1. Your friend has bad breath

Say It

1. You like your friend's new sneakers
