## Making a Good First Impression

An impression is the thoughts you have about someone the first time you meet them. We all have these thoughts. We wonder if this person is nice or if we will like them. Think of ways to make a good first impression.

What kind of impression did Kate make on Jeff?

Why didn't Jeff want to keep talking to her?

How did Kate show she can make a good impression?

### WRITE DOWN WHAT KIND OF IMPRESSION EACH SITUATION WOULD GIVE

1. Jim runs into class 10 minutes late. He knocks over a student's papers and disrupts the class.

2. Sarah goes on a job interview. She asks if she can take off the weekends.

3. Jill is going to her first basketball practice. She makes sure she arrives on time with all of her equipment.
