EVERYDAY SPEECH

Your Body Language Sends a Message

Body language is clues your body makes to tell how you feel. For example, you can cross your arms to look angry. This is way to let people know how you are feeling.

What message did Owen's body language send?

How did it make Johnny feel?

What message did Owen want to send?

TELL OR SHOW HOW YOUR BODY LANGUAGE COULD EXPRESS EACH MESSAGE

1. You are mad at a friend

2. You are excited to talk with a friend

3. You are bored
