EVERYDAY SPEECH

Compromising

Compromising can help us solve problems. It means taking a piece from everyone's ideas and putting them together to make both people happy. Compromising can help people agree when they have different ideas.

What did Kate want to do? What did Sarah want?

How did Sarah feel when Kate did not compromise?

How did they reach a compromise?

COME UP WITH A COMPROMISE TO SOLVE EACH SITUATION

You want to research
Asia for a project but
your group wants to pick
Europe

1.

You need to use the
shower so you can get
to work on time but
your sister wants to
shower now too

2.

You want to listen to
country music in the car
but your friend wants to
listen to rap

3.
