EVERYDAY SPEECH

Listening to Others' Ideas

Listening to other people is an important skill. It's not always easy, but if we listen we show that we are polite, a good friend, and can learn from other people. We can't always just use our ideas, its best to learn from everyone!

Jeff did not listen to his classmate's ideas. How did he make them feel?

At the end, how did Jeff show he was listening to the group?

How do you think it could help you to listen to other people?
