MODELING – ENTERING A CLASSROOM

1. How should we walk into the classroom?
2. How would others feel if we are loud when we walk in the room?
3. What do we do with our bodies when we walk into class?

REVIEW

Mike gets on the school bus and yells “Hey” to his friend. When he gets to school and sees a friend, he says “Hi” in a quiet voice. What is the difference between the bus and the classroom?
