## MODELING – ACCEPTING HELP

1. What does it mean to accept help?
2. How do you know when to get help or when to try to solve a problem by yourself?
3. Have you ever wanted to solve something by yourself but really needed help?

### REVIEW

Derrick was not sure when his project was due. He wanted to ask his teacher but she looked really busy. He went home without asking and missed the due date. What could he have done instead?
