MODELING – SELF ADVOCACY

1. What does it mean to advocate for yourself?
2. Can you think of a time you did or should have spoke up for something you needed?
3. What words can you say to make sure you get what you need?

REVIEW

Hank needed to use the computer at school to finish a report. He took over the computer and didn't tell anyone why he had to use it.

What will other people who want to use the computer think?
