ACT IT OUT- TONE OF VOICE

DISCUSSION QUESTIONS

1. How can you tell when someone feels excited about something? How do you respond?
2. What kind of message does a flat tone of voice send? How should we sound when someone gives us a gift?
3. How does someone's voice change when they are being sarcastic? Why do people use sarcasm?
4. What is the difference between sounding worried and sounding relieved? How would you respond if a friend sounded worried?

SUGGESTED USE

First, watch each scene to model the behaviors and actions that will be role played. Then, select two people to role play and assign them to Person A and Person B. Read each scenario on screen to act out. Pause when you see the Act it Out logo on screen and get ready to role play!

The rest of the group will rate the actors based on their performance. Did they portray the emotions given? After the role play is finished there will be a discussion. Use the questions above to guide the discussion.

When discussion logo is shown  , we suggest pausing to discuss facial expressions, tone of voice, and positions of bodies & eye contact. Don't hesitate to rewind the video and watch multiple times.
