HAVING BAD BREATH

Keeping our mouths clean and healthy is an important part of our daily hygiene. Hygiene is how clean we keep our bodies. Other people may feel uncomfortable talking to us if we don't brush our teeth.

1. What happened when Tim had to work with Alessandra and he had bad breath?
2. How could you tell that Alessandra was not happy to work with Tim?
3. How was Alessandra's body language different when Tim had good hygiene?
