# Everyday Speech

## Public and Private

Public means out in the open for all to see. Private means things we keep to ourselves. There are some things we only talk about in private.

### TOPICS THAT CAN BE PUBLIC

### TOPICS THAT SHOULD BE PRIVATE

**CUT OUT EACH ITEM AND PLACE THEM IN A CATEGORY, OR WRITE THEM IN.**

- |                                   |                              |                                 |                                 |                           |                                       |
|-----------------------------------|------------------------------|---------------------------------|---------------------------------|---------------------------|---------------------------------------|
| Talking about your family's money | Talking about a vacation     | Talking about your sister's cat | Talking about your mom's health | Talking about the weekend | Talking about the bathroom            |
| Talking about a soccer team       | Talking about your dad's job | Talking about underwear         | Talking about music             | Talking about school      | Talking about your friend's boyfriend |
