## Identifying Emotions

Match each situation to an emotion you could feel if this were to happen to you. Tell about another time you felt this way.

### SITUATION

You thought you lost your cell phone but you found it in your jacket pocket.

You got in trouble for staying up late but your brother did the same thing and did not get punished.

You were sure that you did poorly on a test but you got a good grade.

You wake up late and only have five minutes before the bus comes.

You bought a package of gum at the store and were charged \$20 for it.

### EMOTION

Confused

Relieved

Surprised

Worried

Angry
