## How to Send Everyday Speech Materials to Parents or Students at Home

Get your unique link to send to parents so they can create their free accounts

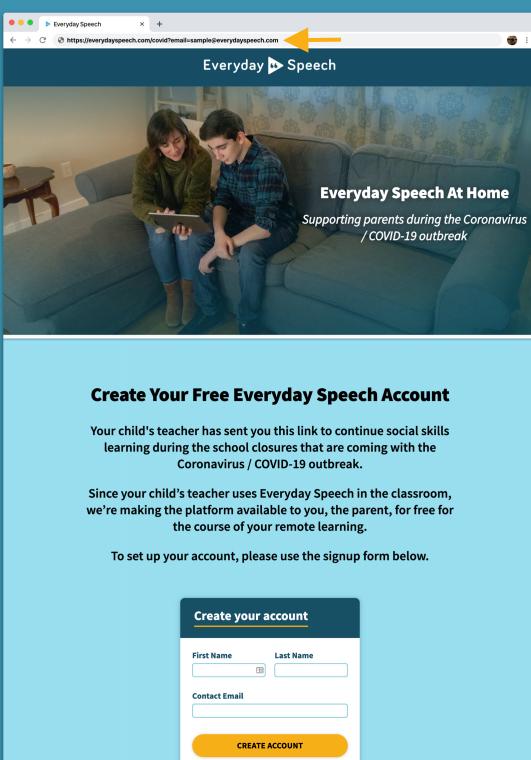

This link can be found on the Settings page of your account

2 Share Sign Up link with Parents and/or Students
Any platform works (Email, Google Classroom, Canvas, etc)

Parents open the link on their computers and can create their own free Everyday Speech account

Full Curriculum | Browse All Materials | Saved Lists | Q Search

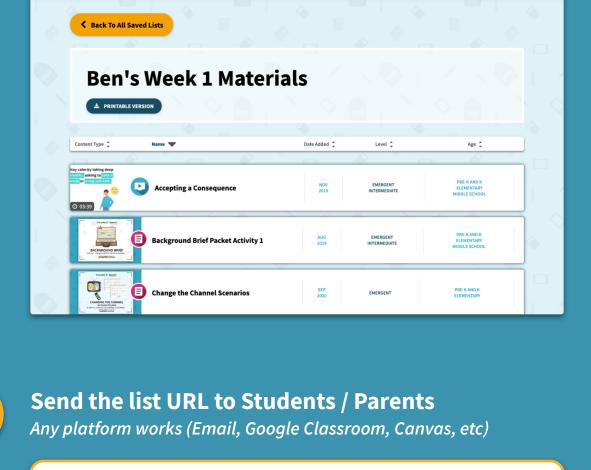

Once your student (or their parents) is set up with an account, you can now start sharing materials with them.

Create lists for each of your students

Dear Parent,

Here are Ben's materials for Week 1:

https://slp.everydayspeech.com/saved-lists/XXGUYl1WVC

lists you've created on your account.

Parents (or students) can open the materials to use them on their own computers
