

Listening in Class

Introduction

Name: _____

Date: _____

1 What are some of our most important jobs in school?

2 Explain how our eyes help focus our listening and thoughts on a person.

3 What happens when someone doesn't listen to directions?

4 We can listen without looking at our teacher, but is that sending your teacher the correct message?

Listening in Class

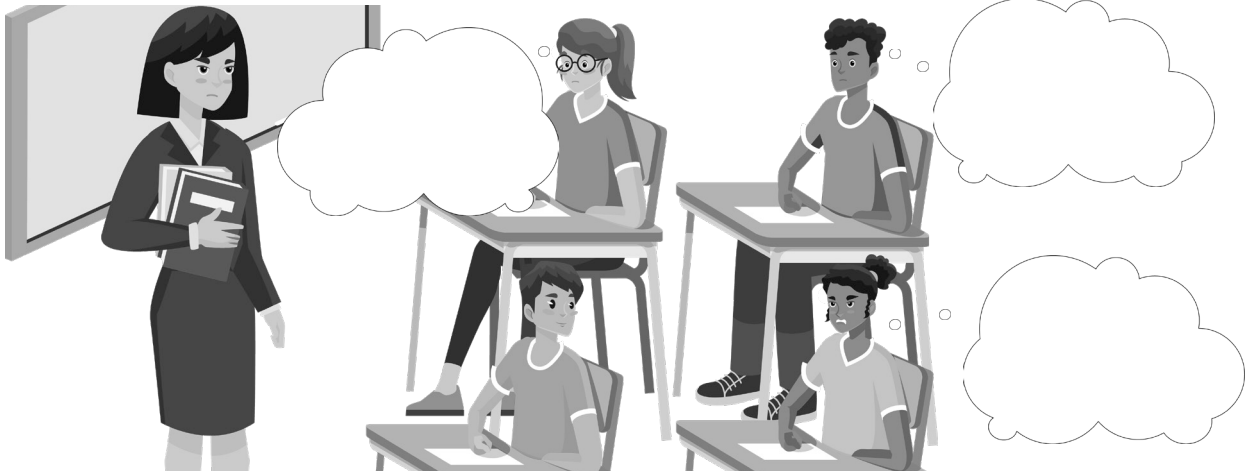

Introduction

- 5 Think about your classmates. Do your classmates who listen to the teacher the most learn the most? Do the ones who listen the least learn the least?

- 6 Should you listen to your teacher when she is giving directions, or just teaching information?

Giving directions Teaching information Both

- 7 How do you think other students feel when one student doesn't listen and the teacher needs to say it over and over?

- 8 Do we need to listen to other classmates or just our teacher? Why?
