CYBER SKILLS - SHARING ON SOCIAL MEDIA

Our Cyber Skills can help us know what is okay and not okay to post online. As soon as we post online, it becomes public. If others may be upset or uncomfortable with us posting about them, we should ask first.

Read and answer each question below.

Why was Rachel upset with Alessandra?

How did Alessandra feel about their silly picture?

How did Rachel and Alessandra view the same situation differently?

What should you do if you want to post a picture online, but you aren't sure if your friends will be comfortable about it?

How can you tell what is okay to post online and what isn't?
