THINKING ABOUT THE PEOPLE AROUND YOU

Video Modeling Companion Worksheet

Read and answer each question below.

1. What action did Rachel do at first, and how did it make the others around her feel?

2. How did Rachel change her behavior?

3. How did the other students feel after Rachel thought about them and changed her behavior?

REVIEW

Why is it important to think about others? Tell about a time when you were in a situation, and you had to change your behavior because of the other people around you.
