

Social Chameleon

A social chameleon is someone who can blend in and adapt to any situation, no matter what's going on in the moment. Cue learners to be a Social Chameleon so they can successfully re-enter classrooms and immerse into new environments.

To be a Social Chameleon:

Tune in
to our surroundings
by looking at where we
are and who is there.

Read people's moods
and try to see how
others are feeling.

Adjust our actions
to fit in with the
Time and Place.

Social Chameleons
can blend into
any situation.

Active and engaged
during games

Participating in games and
conversations at parties
